MENTAL WELLNESS

***DR. ANN MONIS**

Dr. Ann Monis is founder and CEO of Transformative Healthcare Solutions and related businesses, including the Mental Health Center of Florida. These entities offer comprehensive psychological care for a broad spectrum of mental health issues and disorders throughout Florida, Georgia and South Carolina via in-office and telehealth modalities.

Dr. Monis is also the founder of a nonprofit organization, Florida Mental Health Coalition, providing behavioral health care services to vulnerable seniors, adults, at-risk youths and first responders. Dr. Monis' labor of love is providing expert care at affordable prices; she's been especially instrumental in helping those less fortunate during COVID-19 and this time of financial uncertainty.

What has been the most monumental ROCKSTAR moment of your career?

We are officially the largest privately owned mental health company in Florida.
